

## Gender-Neutral Bathroom List

Because there are very few gender-neutral bathrooms at the University of Otago, the University's Disability Information and Support centre are happy for trans, gender non-confirming and gender diverse individuals to use the single stall accessible bathrooms, many of which have also been labelled as gender-neutral.

This list is a work in progress and is based off a list supplied by the university. We are making our way around each bathroom to find out whether they are gender-neutral or accessible/gender-neutral bathrooms. If you have found a gender-neutral bathroom on campus, let us know by emailing [g.support@ousa.org.nz](mailto:g.support@ousa.org.nz).

We appreciate that some trans, gender non-confirming and gender diverse students might not feel comfortable using an accessible bathroom for a variety of reasons. We welcome your feedback, feel free to email: [g.support@ousa.org.nz](mailto:g.support@ousa.org.nz) or [help@ousa.org.nz](mailto:help@ousa.org.nz).
